**HOUSE & GARDEN MAGAZINE HONORS THE EMILY TODHUNTER COLLECTION BY O  
ECOTEXTILES WITH "BEST MERCHANDISE" AWARD.**

At Decorex 2007, one of the world's most important trade exhibitions of interior design merchandise, House & Garden, selected O Ecotextiles' very first eco-fabric collection for special recognition.

The show, which took place in London this September, attracted over 14,000 visitors from around Europe, the U.S. and the Russian Federation.

All exhibitors are hand picked to ensure that only the most inspirational, highest quality and innovative products are shown. In 2007, there were nearly 300 exhibitors.
