Be earth- and pet-friendly

green days For a brighter future, try sustainable fabrics like "Ideal Upholstery Fabric" in rhubarb and celery or "Hardy Organic Hemp" in peony and seafoam. All from from Emily Todhunter for O Ecotextiles (ecotextiles.com).

fan club Turn off the air conditioning and turn on the fan. This hand-made "Vent-Bettina" ceiling fan, \$1,200, from Matthews Fan Co. (matthewsfanco.com), has us going in circles!

Imagine a dog crate that begs to be seen. Brooklyn-based designer Peter Pracilio's "eiCrate," handcrafted by local artisans, is available in a limited edition of 1,000; \$320 to \$420, or—by special order—in 22K gold leaf for \$11,000 (if you really, really love your pet). At Urban Paws (908/277-9600; shopurbanpaws.com). To find local stores, visit gopetdesign.com.
